

# BURTON'S BOLLARDS

Discover **Burton upon Trent** this summer with **Burton's Bollards**, a fun and free outdoor art trail.

Starting and ending at the **Brewhouse Arts Centre**, the trail is approximately 2.5 km long and features 14 colourful bollards, each knitted, crocheted and stitched by talented local crafters.

Celebrating the town's creativity and community spirit, this trail is a great way to explore Burton, with plenty of cafés, shops, parks and walks to enjoy along the route.
